DESCRIPTION

Heading out of Saint-Gervais towards Les Contamines, discover this delightful three-bedroom chalet, partially renovated in 2013, set in 693 m² of land. Spread over three levels, the garden level offers a section that could be independent, comprising a spacious bedroom (18m²) with French windows opening onto part of the garden, a large travertine bathroom, as well as a space that could be used as a small lounge or library and a fully-equipped laundry area (water heater, electric meter, machine connections).

A miller's staircase leads to the ground floor, where a tiled entrance hall gives access to a living room of over 30m² with kitchen, dining room and lounge featuring a wood-burning stove. This comfortable room opens directly onto a wooden terrace. A quality travertine shower room completes this floor.

Another wooden staircase leads to the top floor, where two under-roof bedrooms have been created. One, around 20m², has a small balcony with views of Mont Blanc, while the second, around 17m², has parquet flooring.

Nestled behind two houses on a largely flat plot, the house enjoys an intimate atmosphere, with the charming proximity of the river below, and no noise pollution. A garage with space for a car or a workshop, plus a cellar in the basement, complete the property's facilities.

The house is heated by electricity and a wood-burning stove. The wooden windows are double-glazed, and the roof is slate. This chalet will charm you with its warm atmosphere and mountain setting. Come and see for yourself!
