DESCRIPTION

Within a charming and picturesque framework, 3 lifestyles mingle in a single place : alpine, urban or maritime. Located on the lakeshores of ANNECY, 40km from the swiss border, this area offers many activities which vary in accordance with the seasons. This heaven of peace also known as the Venice of the Alps, is crossed by luminous channels and bucolic streets which lead to historical places, lake edge villas, cosy mountain chalet or apartments in the downtown area. Such a jewel promises a halcyon atmosphere. The domain consists of 3 luxurious houses bound together by a huge terrace; as well as a family room on the upper floor, far from the frenetic path propounded by the turmoils of life.
