DESCRIPTION

Argonay provides easy access to Geneva as well as to some of the most sought-after ski resorts in the Northern Alps, while enjoying a very pleasant natural environment and great views to the south. There are many reasons why Argonay is one of the top addresses in the greater Annecy area!

Confidence is a new-build residence sitting in a natural and bucolic area of Argonay. The residence comprises six small buildings featuring a ground floor and a first floor with an attic, with vast terraces opening on to beautiful panoramic views of the Aravis massif.

Quaint, contemporary design that happily contrasts with the surrounding natural environment.

Each apartment has large windows and a private outdoor area – gardens on the ground floor or panoramic terraces, most of which are south-facing.

3-bedroom apartment with a 11 m2 west-facing terrace. One garage included in the asking price.
