DESCRIPTION

Chalet Jessica. An attractive recently built three bedroom chalet in the popular area of La Frasse, close to the town centre of Chamonix.

This chalet was built in 2010 on three levels and comprises on the ground floor of an entrance hall, a family bathroom, WC and a large open plan living area with woodburning stove, fully equipped kitchen and access to the south west facing garden with its terrace and jacuzzi with Mont Blanc views.

On the first floor, three bedrooms (one with a balcony) and a WC.

On the lower floor, a TV room / playroom.

This charming chalet has potential for extension, and is very well located close to all commodities (sports centre, nordic skiing, Planards piste, public transport and the trails). It would make a perfect lock-up-and leave chalet.
