DESCRIPTION

Villa Moussoux is a truly unique property in a dominant position, this was one of first villas to be built in Chamonix following the first Olympic Games in 1924. The five bedroom property has remained in the same family ever since and sits on a private plot of 5 249m² which also houses two small chalets. With an enviable location on the south-facing Moussoux slopes, the villa benefits from exceptional sunshine and impeccable view of Mont Blanc and the surrounding mountains.

The house benefits from significant additional building rights, subject to planning permission. Please contact us for a full dossier.
