DESCRIPTION

With a total surface of approximately 370m², this chalet was completely renovated in 2021. Located in the Rochebrune area, a few hundred meters from the ski slopes, the contemporary style makes this property unique.

It consists of six en-suite bedrooms, a reception room, a beautiful dining room with a fireplace. The kitchen, functional, will also give you access to one of the two terraces and the garden.

The land, flat and planted with trees, will allow you to take advantage of the outdoors both in summer and winter, given its southern exposure.

A double garage, a ski room and outdoor spaces complete this property.

The chalet is sold fully furnished.
