DESCRIPTION

Set in a green setting of over 5000m², crossed by the Jorasse torrent, in the heart of nature, yet just a few minutes' drive from all amenities and the center of Combloux village, this former mill has been converted into a comfortable gite for lovers of fine stonework and nature.

This exceptional property is bathed in light. With a total living area of 390m², it is divided into three apartments with their own private entrances.

- The first apartment is a T1 bis with a kitchen opening onto the living room giving access to a terrace, a bedroom and a bathroom.

On the upper floor, a large family apartment with two very large bedrooms sharing a bathroom, a semi-open kitchen and a living room with access to a balcony.

Finally, the third apartment occupies the last two levels of the Moulin. Considered the main apartment, it features a beautiful living room with cathedral ceiling, two en suite bedrooms and a mezzanine used as a spare bedroom or office.

A first mazot with a surface area of 20m² hosting a relaxation area and a summer kitchen, a second mazot used as a garden shed, a porch for 2 cars as well as a large workshop and a cellar complete the comfort of this exceptional atypical property.

Information on the risks to which this property is exposed is available on the following website
