DESCRIPTION

Discover the timeless charm of a 1930s family home, skilfully renovated in the 1990s.

Ideally nestled in the heart of a quiet, strategic neighborhood, this home offers exceptional family living, just a few steps from schools, the train station and all amenities. From the entrance, a welcoming hall leads to a comfortable living room, a convivial lounge with access to the outdoors, and a separate fitted kitchen. The first floor also includes a full bathroom with toilet.

Upstairs, three bright bedrooms and a shower room with toilet await you. The converted attic offers a practical office space and an additional bedroom, perfect for your family's evolving needs.

The full basement adds an extra dimension to this property, housing a well-equipped laundry room, a toilet with access to the boiler room, as well as a multi-purpose room ideal for children's games or a gym for adults. A small wine cellar completes this multifunctional space.

Outside, a 930 m² plot of enclosed land planted with trees offers a picturesque setting, ready for a swimming pool if you so wish. A practical garden shed and secure garage complete this idyllic picture.

With a touch of refurbishment, its privileged location and proximity to all amenities make this property a rare opportunity on the market.
